INTRODUCING THE ORGAMITES

The Orgamites are a team of nine life-saving organs found in each one of us. They're known as the 'mighty organs' because they represent the organs most needed for donation and transplantation.

As the only global children's organ donation awareness programme of its kind, the Orgamites consists of an ever-growing range of fun, educational tools and resources – all aimed at breathing new life and lightness into organ donation.

By empowering more parents, teachers and healthcare practitioners to have more conversations with more children, they aim to create a society in which organ donation is the accepted norm, thereby increasing the amount of organs donated and increasing the number of subsequent lives saved.

That's why we're all superheroes on the inside!

For more information and loads more resources, visit us at [Orgamites.ca](https://www.orgamites.ca)

Please share your artwork with us so we can share it with the world:

WHAT NEXT?

For the rest of the lesson, teachers have access to a variety of 'Additional Teacher Resources' to enhance the learning experience and drive the message home: Classroom and Take Home Activities, Colouring-in Sheets and Classroom Posters and other teaching aids. Choose any or all of them, print them out or upload them onto your whiteboard.

Family Resources

To encourage families to take control of their health, please send this important resource, essentially a "Join The Mighty Kind Movement Booklet," to all parents and guardians on the same day you introduce this topic to your class (you can print it or email it to them).

Mighty Pledge Certificate and Classroom Poster

This is our mighty manifesto. It's a call to all to be kinder to yourselves, other people and the planet we all share. Consider making the Mighty Pledge together, and even displaying it somewhere in your classroom.

Have you discovered Toolkits 1 and 2?

Although self-standing, our toolkits sequentially build upon one another. **Toolkit 1: 'Meet Your Mighty Organs'** empowers students and their families to learn all about their vital and mighty organs, whilst being introduced to the concept of organ donation. **Toolkit 2: 'Let's Get Mighty Healthy'** offers the best information available on how to practically live a healthy life (at any age).

Got questions or would like to share your Orgamites art?

For any questions or to share your Orgamites art with us, please write to info@orgamites.ca

To register your school for 'Orgtober' and the 'Golden Heart Award' go to Orgamites.ca/Orgtober

To download additional Orgamites educational tools and resources, please visit Orgamites.ca

YOUR INPUT MAKES A BIG IMPACT!

If you've introduced the Orgamites to your classroom, we'd love to know how it's going. Click on the link or scan the QR Code to provide us with much-needed feedback, and please encourage as many other teachers, students and parents to do so too. Don't forget to...

1. Have the conversation (talk about organ donation with your family)

2. Make the Mighty Pledge (with a pinky promise)

3. Be Mighty Proud (voice your choice wide and far)
