INTRODUCING THE ORGAMITES

The Orgamites are a team of nine life-saving organs found in each one of us. They're known as the 'mighty organs' because they represent the organs most needed for donation and transplantation.

As the only global children's organ donation awareness programme of its kind, the Orgamites consists of an ever-growing range of fun, educational tools and resources – all aimed at breathing new life and lightness into organ donation.

By empowering more parents, teachers and healthcare practitioners to have more conversations with more children, they aim to create a society in which organ donation is the accepted norm, thereby increasing the amount of organs donated and increasing the number of subsequent lives saved.

That's why it's what's inside that truly counts!

WHAT NEXT?

For the rest of the lesson, teachers have access to a variety of 'Additional Teacher Resources' to enhance the learning experience and drive the message home: Case Studies, Classroom and Take Home Activities, Colouring-in Sheets and Classroom Posters and other teaching aids. Choose any or all of them, print them out or upload them onto your whiteboard.

Object Lessons

To help kids really appreciate their mighty organs (and remember why and how they work for the rest of time) we've created a series of fun and interactive object lessons (one for each of the mighty organs).

Family Resources

To get families talking more about what really matters, please send this important 'booklet' to all parents and guardians on the same day you introduce the Orgamites to your class (you can print it or email it to them).

Mighty Pledge Certificate and Classroom Poster

This is our mighty manifesto. It's a call to all to be kinder to yourselves, other people and the planet we all share. Consider making the Mighty Pledge together, and even displaying it somewhere in your classroom.

Have you discovered Toolkits 2 and 3?

Although self-standing, our toolkits sequentially build upon one another. **Toolkit 2: 'Mighty Habits'** offers the best information available on how to practically live a healthy life (at any age). **Toolkit 3: 'Mighty Kind'** seeks to show people how powerful their small, individual choices can be—inspiring them to change the world through kindness.

Got questions or would like to share your Orgamites art?

For any questions or to share your Orgamites art with us, please write to info@orgamites.ca

To download additional Orgamites educational tools and resources, please visit [Orgamites.ca](https://orgamites.ca)

YOUR INPUT MAKES A BIG IMPACT!

If you've introduced the Orgamites to your classroom, we'd love to know how it's going. Please use our feedback form on the 'Resources Hub' page on our website, and please encourage as many other teachers, students and parents to do so too. Don't forget to...

1. Have the conversation (talk about organ donation with your family)

2. Make the Mighty Pledge (with a pinky promise)

3. Be Mighty Proud (voice your choice wide and far)
